

COMMONWEALTH OF KENTUCKY
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

PURCHASED WATER ADJUSTMENT)	
OF SOUTHEAST DAVIESS COUNTY)	CASE NO. 94-177
WATER DISTRICT)	

O R D E R

On May 2, 1994, Southeast Daviess County Water District ("Southeast Daviess") filed an application to adjust its rates pursuant to the purchased water adjustment procedure, KRS 278:015 and 807 KAR 5:068.

On May 24, 1994, the Commission issued an Order approving rates that reflected the proposed purchased water adjustment.

On June 24, 1994, Southeast Daviess filed with the Commission an application seeking a reduction in rates pursuant to the purchased water adjustment clause. In its application, Southeast Daviess states that the increase of 6 percent sought by Owensboro Municipal Utilities ("Owensboro") was rejected by the Owensboro City Commission, and an increase of 4 percent in water rates was approved. This filing will be treated as an amendment to the original application.

The Commission, having reviewed the evidence of record and being otherwise sufficiently advised, finds that:

1. Southeast Daviess purchases water from Owensboro Municipal Utilities ("Owensboro").

2. Effective June 1, 1994, Owensboro increased its rates for wholesale water from \$1.051 per 1,000 gallons to \$1.093 per 1,000 gallons.

3. Southeast Daviess proposed to increase the rates to its customers effective July 1, 1994.

4. During the 12 months ending March 31, 1994, Southeast Daviess purchased 573,815,646 gallons of water and sold 511,148,520 gallons.

5. Southeast Daviess' calculations are correct and show an increase in purchased water cost of \$24,100, resulting in a purchased water adjustment of 5 cents per 1,000 gallons. Based on an average monthly usage of 5,000 gallons, monthly bills to Southeast Daviess' customers will increase 25 cents from \$12.17 to \$12.42, an increase of 2 percent.

6. The purchased water adjustment of 5 cents per 1,000 gallons and the rates in Appendix A are fair, just, and reasonable and should be approved.

7. Southeast Daviess has proposed to increase the rates to customers that are classified as non-users. As these customers do not use any water, the proposed purchased water increase to non-users should be denied.

8. The Order dated May 24, 1994 in this case should be vacated.

IT IS THEREFORE ORDERED that:

1. The proposed rate increase to non-users is hereby denied.

2. The purchased water adjustment of 5 cents per 1,000 gallons and the rates in Appendix A, attached hereto and incorporated herein, are approved for services rendered on and after July 1, 1994.

3. Within 30 days of the date of this Order, Southeast Daviess shall file its revised tariff setting out the rates approved herein.

4. Within 30 days of the date of this Order, Southeast Daviess shall file verification that the notice to its customers has been given.

5. The Order dated May 24, 1994 in this case is hereby vacated.

Done at Frankfort, Kentucky, this 18th day of July, 1994.
